## **BIBD EXTENDS PROJECT TEDUH WITH ANOTHER HOME HANDOVER IN TUTONG**

**19 January 2026** - Bank Islam Brunei Darussalam Berhad (BIBD) today continued its community betterment efforts under *Project Teduh* with the handover of another rebuilt home to a family in the Tutong District, strengthening the Bank's ongoing mission to support social well-being and inclusive national development.

The ceremony, which was held at Jalan Bukit Ambog, Kampung Panchur Dulit, Tutong District, was officiated by Yang Berhormat Dato Seri Setia Awang Haji Ahmaddin bin Haji Abdul Rahman, Minister of Home Affairs and Chairman of BIBD, who formally handed over the house to the recipient, Noor Hamzari bin Mohammad and his family.

The event marked another milestone in the Bank's flagship Corporate Social Responsibility (CSR) programme, which continues to transform lives through collaborative action and shared compassion.

This handover followed the successful completion of a similar *Project Teduh* home in Kampung Bukit Udal in November 2025, underscoring BIBD's commitment in delivering meaningful community outcomes.

The project, which commenced on 5 December 2025, was completed on 15 January 2026, underscoring the effectiveness of multi-agency cooperation in improving the living conditions of vulnerable families and delivering impactful community outcomes.

Project Teduh is sustained through a strategic and synergistic blend of funding sources, reflecting a shared commitment to social impact. The majority of funding is contributed by BIBD through its business zakat, highlighting the Bank's dedication to purposeful giving.

These collective efforts demonstrate the unwavering commitment of BIBD and its stakeholders to advancing community welfare through values-driven CSR programmes that align with national development goals.

This continued initiative also exemplifies how collective compassion can create a lasting impact, rooted in the principles of Maqasid Shariah and the national ethos of ‘Bruneian at Heart’—uplifting communities through care, collaboration, and shared purpose.

BIBD conveys its sincerest appreciation to the Ministry of Home Affairs, the Ministry of Development, The Authority for Building Control and Construction Industry (ABCi), and prominent corporations as well as individual donors who share BIBD’s values and principles in this initiative.
