LION-BIBDS ISLAMIC INCOME & GROWTH FUND LAUNCHED TO EXPAND SHARIAH-COMPLIANT INVESTMENT PRODUCTS IN BRUNEI

12 June 2026 - Bank Islam Brunei Darussalam through its BIBD Securities Sdn Bhd (BIBDS) today launched the Lion-BIBDS Islamic Income & Growth Fund, marking another significant milestone in the development of Brunei Darussalam's Islamic finance and investment management product solutions.

Developed in partnership with Singapore-based Lion Global Investors (LGI), the Fund is the second collaboration between BIBDS and LGI following the launch of the Lion-BIBDS Islamic Enhanced Liquidity Fund in 2024. The new Fund further broadens access to professionally managed Shariah-compliant investment solutions for Bruneian investors, supporting the continued development of the local capital market ecosystem.

The Fund represents growing confidence in Brunei Darussalam's ability to manage and offers internationally relevant investment solutions, as well as the increasing depth of local investment management capabilities. The continued partnership with Lion Global Investors reflects recognition of BIBDS's capabilities and track record, while demonstrating how Bruneian institutions can collaborate with global asset managers to deliver products that meet international standards. The Fund also demonstrates how international investment expertise can be combined with deep Islamic market knowledge and Shariah principles to deliver solutions tailored to the diverse needs of investors across different life stages, risk appetites, and financial goals.

The Fund will also be offered and distributed in Singapore and made available through international online brokerage platforms, extending its reach to a broader pool of investors. This further strengthens Brunei's presence within the regional Islamic investment landscape, reflects growing recognition of BIBDS's capabilities and

demonstrates how investment solutions developed in Brunei can reach a wider investor base while adhering to international standards of governance, investment management, and Shariah compliance.

The launch event, held at The Empire Brunei, was attended by BIBD's Managing Director and Chief Executive Officer, Awang Junaidi bin Haji Masri, alongside members of the BIBDS Board of Directors, BIBD Group Shariah Advisory Bodies, Managing Director of Brunei Darussalam Central Bank, CEOs, BIBD corporate, Perdana and retail clients, and guests.

Through continued innovation and collaboration, BIBDS aims to strengthen Brunei Darussalam's capital markets while supporting investors by encouraging greater participation in investing and long-term wealth accumulation.
